Privacy Policy

Welcome to our Digital Visiting Card platform. Your privacy is important to us. This Privacy Policy explains how we collect, use, protect, and manage your information when you use our digital visiting card services, including the Share & Earn program, user login features, and mobile storage backup services.

By using our platform, you agree to the practices described in this Privacy Policy.

---

1. Information We Collect

To provide our services effectively, we may collect certain types of information from users.

Personal Information

When you create a digital visiting card or register on our platform, we may collect information such as:

- Name
- Mobile phone number
- Alternate contact number
- Email address
- Business or company details
- Website address
- Physical location or business address
- Social media links
- Profile images or gallery images

This information is used to create and display your digital visiting card and to help others contact you easily.

Account Information

If you create a user account, we may collect:

- Username
- Password (securely encrypted)
- Login activity
- Account preferences
- Reminder settings

This allows you to manage your card, track referrals, and use personalized features.

Device and Technical Information

We may also collect limited technical data such as:

- Device type
- Browser type
- IP address
- Usage activity on our platform

This information helps us improve system performance and security.

---

2. How We Use Your Information

We use the information collected to provide and improve our services.

Providing Digital Visiting Card Services

Your data is used to display your digital visiting card features, including:

- One-tap phone calling
- Alternate number calling
- Email contact option
- Website redirection
- Location navigation
- About Us section
- Photo gallery
- Reference information
- Social sharing options

These features help people connect with you quickly and easily.

User Account Management

Your login information allows you to:

- Access your personal dashboard
- Manage your visiting card details
- Use reminders
- Track Share & Earn rewards
- Update your information anytime

Share & Earn Program

Our platform may track referral activity when you share your digital card. This helps us:

- Record referrals
- Calculate rewards or benefits
- Prevent misuse or fraudulent activity

---

3. Mobile Storage Backup Feature

We offer a mobile storage backup option similar to cloud storage services.

This feature allows users to:

- Store important files from their mobile devices
- Backup images, documents, or business materials
- Restore files if the mobile device data is lost

Important Information About Backup Storage

- Files are stored securely on our servers or integrated storage systems.
- Only the user with login access can manage their backup files.
- We do not access personal files unless required for technical support or legal compliance.
- Users are responsible for ensuring that their uploaded files do not violate any laws.

We take reasonable measures to protect stored data, but users should always maintain their own backups for critical files.

---

4. Gallery and Media Content

Users may upload images or media files to display in the **Gallery section** of their digital visiting card.

This may include:

- Business photos
- Product images
- Promotional banners
- Profile pictures

By uploading content, you confirm that:

- You own the rights to the content, or
- You have permission to share it publicly.

We do not claim ownership of user content, but we reserve the right to remove content that violates policies or laws.

---

5. Location Information

If you provide a location or address on your digital visiting card, it may be used to help visitors navigate to your business using map services.

This location information is publicly visible to anyone who accesses your digital card. Users should ensure the address shared is appropriate for public viewing.

---

6. Social Sharing

Our platform allows users to share their digital visiting cards through social media or messaging platforms.

When you use the **Social Share feature**, the shared information may include:

- Your name
- Contact information
- Business details
- Card link

Once shared externally, the information may be viewed or reshared by others. We are not responsible for how third-party platforms use shared content.

---

7. Reminder Feature

Users who log into their accounts can create reminders for important activities such as:

- Follow-ups with clients
- Business appointments
- Contact reminders

Reminder information is stored securely within the user account and is visible only to the logged-in user.

We do not share reminder details with other users or third parties.

---

8. Data Security

We take the protection of user data seriously and implement reasonable security measures such as:

- Secure servers
- Data encryption where applicable
- Account authentication
- Access control systems

These measures help protect your personal data from unauthorized access, misuse, or loss.

However, no digital platform can guarantee complete security. Users should also take precautions such as protecting their login credentials.

---

9. Third-Party Services

Some features of our platform may connect to third-party services such as:

- Map services for location
- Email services
- Social media platforms
- Cloud storage technologies

These services may have their own privacy policies. We recommend users review those policies when interacting with external services.

---

10. Data Retention

We retain user information only for as long as necessary to provide our services or comply with legal obligations.

Your data may remain stored while:

- Your account is active
- Your digital visiting card is active
- Backup storage files are maintained

If you choose to delete your account, your personal data may be removed or anonymized within a reasonable timeframe.

---

11. User Rights and Control

Users have the right to:

- Access their personal information

- Update their visiting card details
- Modify or delete uploaded content
- Disable their account
- Request account removal

You can manage most of these options directly from your user dashboard.

---

12. Children's Privacy

Our platform is intended for use by adults and business professionals. We do not knowingly collect personal information from children under the age of 13.

If we become aware that such information has been collected, we will take steps to delete it.

---

13. Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect:

- New features
- Changes in services
- Legal requirements

When updates are made, the revised policy will be posted on this page with an updated date.

Users are encouraged to review this page periodically.

---

14. Contact Us

If you have any questions, concerns, or requests related to this Privacy Policy, you can contact us through:

- Email support
- Website contact form
- Official business contact details listed on the platform

We will make reasonable efforts to respond to inquiries in a timely manner.

Your privacy and trust are important to us, and we are committed to protecting your personal information while providing a secure and useful digital visiting card service.

If you want, I can also help you with:

- **Terms & Conditions page (1000 words)**
- **Refund Policy**
- **Share & Earn policy**
- **Legal disclaimer page**

These are usually required together for **apps, SaaS platforms, and digital services.**

yes please write about the terms you mentioned above (Terms & Conditions page (1000 words), Refund Policy, Share & Earn policy, Legal disclaimer page) each one separately

Below are **four separate website policy pages** written in clear and simple language for your **Digital Visiting Card platform with Share & Earn and Mobile Backup feature**. Each section can be placed on a **separate webpage**.

---

1. Terms & Conditions (Approx. 1000 Words)

Last Updated: March 16, 2026

Welcome to our Digital Visiting Card platform. These Terms and Conditions govern your use of our website, application, and services. By accessing or using our services, you agree to follow and be bound by these terms. If you do not agree with any part of these terms, you should not use our platform.

1. Acceptance of Terms

By registering an account, creating a digital visiting card, or using any features of our platform, you confirm that you accept these Terms and Conditions. These terms apply to all users including visitors, registered users, and participants in the Share & Earn program.

2. Description of Services

Our platform provides users with a digital visiting card that allows easy sharing of professional and business information. The platform includes the following features:

- Direct call option
- Alternate number calling
- Email contact option
- Website redirection
- Business location access
- About Us section

- Image gallery
- Reference details
- Social sharing options
- Reminder tools inside user accounts
- Mobile storage backup services

These services are designed to help individuals and businesses connect with customers and contacts in a digital format.

3. User Account Responsibilities

To access certain features, users must create an account. Users are responsible for:

- Providing accurate information during registration
- Maintaining the confidentiality of login credentials
- Updating their information when necessary
- Ensuring their account is not used for unauthorized activities

You are responsible for all activities that occur under your account.

4. Acceptable Use

Users must use the platform only for lawful purposes. The following activities are not allowed:

- Sharing false or misleading information
- Uploading illegal, harmful, or offensive content
- Violating intellectual property rights
- Attempting to hack or disrupt the system
- Using the platform for spam or fraudulent activities

Violation of these rules may result in suspension or termination of the account.

5. Content Ownership

Users may upload content such as images, business information, and contact details to create their digital visiting card.

You retain ownership of the content you upload. However, by uploading content, you grant us permission to display and distribute the information as part of your digital visiting card.

We reserve the right to remove content that violates laws or platform policies.

6. Mobile Storage Backup

Our platform may provide storage backup options for users to save files from their mobile devices.

Users are responsible for:

- Ensuring the legality of stored content
- Keeping backup copies of important files
- Managing their storage usage

We are not responsible for data loss caused by technical issues, device problems, or external factors.

7. Share & Earn Program

Users may participate in our Share & Earn program by sharing their digital visiting card with others. Referral rewards may be provided based on successful referrals.

We reserve the right to:

- Modify reward structures
- Cancel fraudulent referrals
- Suspend accounts abusing the program

8. Service Availability

We aim to keep the platform available at all times. However, services may occasionally be unavailable due to:

- System maintenance
- Technical issues
- Updates or improvements

We are not responsible for any losses resulting from temporary service interruptions.

9. Limitation of Liability

Our platform is provided on an "as available" basis. We do not guarantee uninterrupted or error-free operation.

We are not liable for:

- Loss of data
- Business losses
- Unauthorized access to accounts
- Damages caused by misuse of the platform

Users agree to use the services at their own risk.

10. Account Suspension or Termination

We reserve the right to suspend or terminate accounts that:

- Violate these Terms
- Engage in fraudulent activity
- Harm the platform or other users

Users may also choose to deactivate their accounts at any time.

11. Changes to Terms

We may update these Terms and Conditions periodically. When changes occur, the updated version will be posted on our website.

Continued use of the platform means you accept the updated terms.

12. Governing Law

These Terms shall be governed by applicable laws. Any disputes arising from the use of the platform shall be handled according to the legal jurisdiction applicable to the service provider.

---

2. Refund Policy

Last Updated: March 16, 2026

This Refund Policy explains the conditions under which refunds may be issued for services offered on our Digital Visiting Card platform.

1. Service Nature

Our platform primarily provides digital services such as:

- Digital visiting card creation
- Premium features
- Storage services
- Share & Earn participation

Because these services are digital and often activated immediately, refunds may be limited.

2. Eligibility for Refund

Refund requests may be considered in the following situations:

- Payment was charged incorrectly
- Duplicate payment occurred
- Service was not activated due to a technical issue

Refund requests must be submitted within **7 days of the payment date**.

3. Non-Refundable Situations

Refunds may not be issued in the following cases:

- Change of mind after purchase
- Services already fully used
- Violation of platform policies
- Account suspension due to misuse

4. Refund Processing Time

If a refund request is approved, the refund may be processed within **5 to 10 business days**, depending on the payment method used.

The refund will usually be returned through the original payment method.

5. Contact for Refund Requests

Users may submit refund requests through:

- Email support
- Website contact form
- Official support channels

Please include payment details and account information when requesting a refund.

---

3. Share & Earn Policy

Last Updated: March 16, 2026

Our Share & Earn program allows users to earn rewards by referring others to our Digital Visiting Card platform.

1. Program Overview

Users can share their digital visiting card or referral link with others. When someone joins or purchases services through that referral, the referring user may receive rewards.

2. Referral Eligibility

To qualify for rewards:

- The referred user must register using your referral link
- The user must complete required actions (such as account activation or purchase)
- The referral must be genuine

3. Fraud Prevention

The following activities are strictly prohibited:

- Creating fake accounts
- Self-referrals
- Automated referrals
- Misleading promotions

If fraudulent activity is detected, rewards may be canceled and accounts may be suspended.

4. Reward Distribution

Rewards may be distributed in various forms such as:

- Wallet credits
- Discounts
- Platform benefits
- Promotional rewards

Reward types may change from time to time.

5. Program Changes

We reserve the right to:

- Modify reward structures
- Pause the program
- Cancel rewards in case of misuse

Users will be notified of major program changes where possible.

---

4. Legal Disclaimer

Last Updated: March 16, 2026

This Legal Disclaimer explains the limitations of responsibility regarding the use of our Digital Visiting Card platform.

1. Information Accuracy

The information displayed on digital visiting cards is provided directly by users. We do not verify or guarantee the accuracy of this information.

Users are responsible for ensuring that the information they share is correct and lawful.

2. Third-Party Links

Digital visiting cards may contain links to:

- Websites
- Social media pages
- External services

We are not responsible for the content, security, or privacy practices of third-party websites.

3. Business Interactions

Our platform only provides a digital connection tool between users and visitors.

We are not responsible for:

- Business transactions
- Product or service quality
- Disputes between users and customers

All business interactions happen directly between the parties involved.

4. Technical Limitations

While we work to maintain a secure and reliable platform, we cannot guarantee that services will always be free from:

- Errors
- Interruptions
- Security risks
- Data loss

Users should take necessary precautions to protect their information.

5. Limitation of Responsibility

To the maximum extent permitted by law, we shall not be liable for any damages resulting from:

- Use of the platform
- Reliance on user-provided information
- Technical issues or system failures

Users agree to use the platform at their own risk.

✅If you want, I can also help you create **2 more very important pages most apps forget but Google Play & investors often require:**

1. **Data Deletion Policy (required for apps)**
2. **User Content Policy**
3. **Cookie Policy**
4. **Acceptable Use Policy**

These make your **platform legally stronger and more professional.**

please write

Below are **four additional important policy pages** for your Digital Visiting Card platform. These are commonly required for **apps, SaaS platforms, and professional websites** and help strengthen legal compliance.

---

1. Data Deletion Policy

Last Updated: March 16, 2026

This Data Deletion Policy explains how users can request the deletion of their personal information and account data from our Digital Visiting Card platform.

We respect user privacy and provide options for users to remove their personal information when they choose to stop using our services.

1. User Control Over Data

Users have full control over the data they provide on our platform. This includes:

- Personal profile information
- Contact details on the digital visiting card
- Uploaded images or gallery content
- Reminder data
- Stored backup files
- Account login information

Users can edit or remove most of this information directly through their account dashboard.

2. Account Deletion Request

If a user wants to completely remove their account and all associated data, they can request account deletion.

Users may request deletion through:

- Account settings (if available)
- Email request to support
- Website contact form

The request should include:

- Registered mobile number or email
- Username or account ID
- Confirmation of deletion request

This helps us verify the identity of the user.

3. What Happens After Deletion

Once the deletion request is verified and approved:

- User accounts will be permanently disabled
- Digital visiting cards will no longer be accessible
- Personal profile data will be removed
- Backup storage files may be deleted
- Referral records may be anonymized

After deletion is completed, the account cannot be recovered.

4. Data Retention Exceptions

In certain situations, some information may be retained for a limited time for legal or operational reasons, including:

- Payment transaction records
- Fraud prevention
- Legal compliance
- System security monitoring

Such data will only be retained as long as necessary.

5. Processing Time

Data deletion requests are typically processed within **7 to 15 business days** after verification.

Users will be notified once the deletion process is completed.

6. Important Note

Users are encouraged to download or save any important data before requesting deletion, as deleted information cannot be restored.

---

2. User Content Policy

Last Updated: March 16, 2026

This User Content Policy outlines the rules for uploading and sharing content on our Digital Visiting Card platform.

Users may upload various types of content while creating their digital visiting cards.

1. Types of Content Allowed

Users may upload and display content such as:

- Business information
- Contact details
- Profile images
- Business logos
- Product photos
- Promotional images
- Company descriptions
- Website links
- Social media links

This content helps users showcase their professional identity.

2. User Responsibility

Users are fully responsible for the content they upload or share on their digital visiting card.

Users must ensure that the content:

- Is accurate and truthful
- Does not violate any laws
- Does not infringe copyright or intellectual property rights
- Does not harm other individuals or businesses

3. Prohibited Content

The following types of content are strictly prohibited:

- Illegal material
- Offensive or abusive content

- Hate speech or discrimination
- Adult or explicit content
- Fraudulent or misleading information
- Content promoting illegal products or services
- Malware or harmful software links

Posting such content may result in account suspension or removal.

4. Content Moderation

We reserve the right to review, remove, or restrict content that violates this policy.

Content may be removed if it:

- Breaks platform guidelines
- Receives legitimate complaints
- Violates applicable laws

However, we do not actively monitor all user content.

5. Intellectual Property Rights

Users must ensure that the images, logos, or media they upload belong to them or that they have permission to use them.

Unauthorized use of copyrighted material may result in removal of the content and possible account suspension.

---

3. Cookie Policy

Last Updated: March 16, 2026

This Cookie Policy explains how our platform uses cookies and similar technologies to improve user experience.

1. What Are Cookies

Cookies are small data files stored on your device when you visit a website. They help websites remember certain information about your visit.

Cookies help improve website performance and user convenience.

2. How We Use Cookies

Our platform may use cookies to:

- Remember user login sessions
- Improve website speed and performance
- Track usage statistics
- Enhance user experience
- Maintain security of accounts

These cookies help ensure the platform works smoothly.

3. Types of Cookies We Use

Essential Cookies

These cookies are necessary for the website to function properly. They enable features like user login and account security.

Performance Cookies

These cookies help us understand how users interact with the platform so we can improve services.

Functional Cookies

These cookies remember user preferences such as language settings or login details.

4. Managing Cookies

Users can control or disable cookies through their browser settings.

However, disabling cookies may affect certain features of the platform, such as login sessions or dashboard access.

5. Third-Party Cookies

Some third-party services integrated into our platform may also use cookies. These may include:

- Analytics tools
- Map services
- Social sharing tools

Users are encouraged to review the privacy policies of these services.

---

4. Acceptable Use Policy

Last Updated: March 16, 2026

The Acceptable Use Policy defines how users should responsibly use our Digital Visiting Card platform.

The purpose of this policy is to maintain a safe, reliable, and professional environment for all users.

1. Proper Use of the Platform

Users must use the platform only for legitimate and lawful purposes.

The platform is designed for:

- Professional networking
- Business promotion
- Sharing contact information
- Managing digital visiting cards
- Referral participation

Users should respect other users and maintain professional conduct.

2. Prohibited Activities

The following activities are not allowed on our platform:

- Spamming or sending unsolicited messages
- Creating fake accounts
- Impersonating another person or business
- Attempting to hack or disrupt the platform
- Uploading viruses or malicious software
- Using the platform for illegal activities

Violation of these rules may result in immediate account suspension.

3. Referral System Misuse

Users must not manipulate the Share & Earn system through:

- Self-referrals
- Fake registrations
- Automated referral systems
- Misleading promotions

Any detected abuse may result in cancellation of rewards.

4. Security Responsibilities

Users must take reasonable steps to protect their accounts by:

- Keeping passwords confidential
- Logging out from shared devices
- Reporting suspicious activity

Failure to follow these practices may put user data at risk.

5. Enforcement

We reserve the right to investigate violations of this policy.

Actions may include:

- Content removal
- Temporary suspension
- Permanent account termination

These steps help maintain a fair and secure platform.

✅Now your platform has **9 professional legal pages**:

1. Privacy Policy
2. Terms & Conditions
3. Refund Policy
4. Share & Earn Policy
5. Legal Disclaimer
6. Data Deletion Policy
7. User Content Policy
8. Cookie Policy
9. Acceptable Use Policy

These are typically enough for **websites, SaaS platforms, and apps**.

If you want, I can also write **one more powerful page many digital card platforms add:**

"About Our Platform / Company Policy Page" which improves **SEO, trust, and investor credibility.**

please write "About Our Platform / Company Policy Page"

Below is a **professional "About Our Platform / Company Policy Page"** suitable for your **Digital Visiting Card platform with Share & Earn and Mobile Backup features**. It is written in clear, user-friendly language and can be placed on your website as **About Us / About Platform**.

About Our Platform

Last Updated: March 16, 2026

Welcome to our Digital Visiting Card platform. Our goal is to provide individuals, professionals, and businesses with a modern and efficient way to share their contact information and promote their services through digital technology.

Traditional paper visiting cards can easily be lost, damaged, or become outdated. Our platform replaces traditional business cards with a smart digital solution that is easy to share, easy to update, and accessible from anywhere.

By using our platform, users can create a personalized digital visiting card that allows others to connect with them instantly through multiple communication options.

Our Mission

Our mission is to simplify professional networking by providing a digital platform that allows people to share their identity, contact information, and business details quickly and conveniently.

We aim to:

- Help businesses move from paper cards to digital solutions
- Make networking faster and more efficient
- Provide tools that improve communication and connectivity
- Offer innovative features that support modern business needs

We believe that digital technology should make business interactions smoother and more accessible for everyone.

What Our Platform Offers

Our Digital Visiting Card platform includes several features designed to make communication easier between users and their contacts.

Digital Visiting Card

Users can create a personalized digital visiting card containing important information such as:

- Name and professional details
- Mobile phone number

- Alternate contact number
- Email address
- Website link
- Business location
- About Us information
- Photo gallery

This allows anyone who receives the card to quickly understand the user's business or professional identity.

One-Click Contact Options

Our platform provides easy communication options that allow visitors to contact users directly from the digital card.

These options include:

- Direct phone calling
- Calling alternate numbers
- Sending emails
- Visiting the user's website
- Viewing business location on map services

This eliminates the need to manually save contact details and simplifies the communication process.

Gallery Feature

Users can upload images to showcase their business, products, services, or professional work.

Examples of gallery content include:

- Product photos
- Office or shop images
- Promotional images
- Business banners
- Portfolio samples

This helps users visually present their services and create a stronger impression.

About Us Section

The About Us section allows users to describe their business, services, or professional experience.

This section helps visitors understand:

- What the user does
- What services they provide
- Their professional background
- Their business goals

Providing detailed information improves credibility and helps build trust with potential customers.

Reference Section

Users may also include references or additional information on their digital card. This may include:

- Customer references
- Business highlights
- Professional achievements
- Important announcements

This section helps users share valuable information that supports their professional identity.

Social Sharing

Our platform allows users to easily share their digital visiting card through social media or messaging platforms.

Users can share their card link with:

- Customers
- Business partners
- Friends and colleagues
- Potential clients

This feature helps expand professional networks and increase visibility.

Share & Earn Program

Our platform includes a Share & Earn program that allows users to invite others to join the platform.

When users share their digital card or referral link, they may receive rewards when new users register or participate through their referral.

The purpose of this program is to:

- Encourage community growth
- Reward active users
- Promote the digital visiting card concept

All referral activities must follow the platform's Share & Earn policy.

Reminder Feature

Users with login access can use reminder tools available inside their account dashboard.

This feature allows users to create reminders for important tasks such as:

- Client follow-ups
- Business meetings
- Contact reminders
- Scheduled calls

These reminders help users manage their professional activities more effectively.

Mobile Storage Backup

Our platform may provide mobile storage backup functionality for users.

This feature allows users to store important files or documents from their mobile devices in a secure digital environment.

Users may store items such as:

- Business documents
- Important images
- Work files
- Personal notes

The backup feature is designed to help users protect important data and access it when needed.

However, users should always maintain their own backups for critical files.

Commitment to Privacy and Security

We value the privacy and security of our users. Our platform follows reasonable security practices to protect user data and account information.

We implement safeguards such as:

- Secure account login systems
- Data protection measures
- Controlled access to user information

Users are encouraged to review our **Privacy Policy** to understand how their data is collected, used, and protected.

Responsible Use of the Platform

We expect all users to use our platform responsibly and in accordance with our policies.

Users must ensure that:

- All information shared is accurate and lawful
- Uploaded content does not violate any laws
- The platform is not used for harmful or fraudulent activities

Maintaining a safe and professional environment benefits all users of the platform.

Continuous Improvement

We continuously work to improve our platform by adding new features, improving performance, and enhancing user experience.

Updates may include:

- New tools for digital networking
- Improved sharing capabilities
- Enhanced storage and security features
- Better user interface and functionality

Our goal is to keep the platform modern, useful, and reliable for all users.

Contact and Support

If users have questions, suggestions, or require assistance, they can contact our support team through the available contact channels on the website or platform.

We aim to respond to inquiries as quickly as possible and provide helpful support to our users.

Our Vision

We believe the future of professional networking is digital. Our vision is to create a platform where individuals and businesses can easily connect, promote their services, and manage their professional identity through smart digital solutions.

By combining digital visiting cards, sharing tools, and useful business features, we aim to create a platform that supports modern communication and professional growth.
